

Congressman Bachus signed the following two bipartisan letters from Members of Congress to the U.S. State Department seeking freedom for Pastor Saeed Abedini, who was detained and is now imprisoned in Iran for practicing his Christian faith.

In the most recent letter, sent on February 12 to Secretary of State John Kerry, Congressman Bachus and his colleagues urged the U.S. government to use all available and appropriate means to secure the immediate and unconditional release of Pastor Abedini.
